Youth Activities Permission Form & Consent for Treatment

Throughout the year youth involved in programs at First Mennonite Church have the opportunity to participate in numerous activities, events, and trips, some of which are held on-site and some off-site. Pastors and/or youth sponsors will communicate details of events beforehand, and will be available to answer any questions you have regarding the activity. By signing this form and completing the information on the back, you are giving permission for your child to participate in these activities; however, some activities may require a separate permission slip, which will be communicated beforehand.

As the parent or legal guardian of _____, I consent to my child's participation in activities offered by First Mennonite Church. I understand all reasonable safety precautions will be taken at all times by the leadership of these activities, which includes the abuse prevention guidelines outlined in the Keeping FMC Safe Policy. I understand the possibility of unforeseen hazards and know the inherent possibility of risk. Further, I personally assume, on my child's behalf, all liability in connection with said activities for any harm, injury, or damages that may befall my child as a result of my child's participation in the activities.

I also hereby give permission for my child to ride in any vehicle driven by an approved and licensed adult chaperone while attending and participating in activities sponsored by First Mennonite Church. My child and I understand that seat belts must be worn at all times during transportation.

I understand that in addition to filling out the reverse side of this form, it is my obligation to inform and update the church of any and all health considerations or medical conditions that would restrict my child's participation in any and all activities, trips, and events of First Mennonite Church.

Should the need for medical attention arise, the youth sponsors will attempt to contact me as soon as possible. In the event my child becomes ill, is injured, or requires emergency medical attention of any kind, I hereby authorize the adult chaperone(s) to arrange for transportation to the nearest hospital/treatment facility. I give permission for a licensed doctor or healthcare professional to provide any and all medical care they deem, in their professional opinion, to be necessary. I understand that I will assume full responsibility for all medical expenses incurred as a result of the use of this consent.
